Dear Mr. Butler,

The Common Values PAC (FEC ID: C00442368) is in receipt of your letter dated May 3, 2013 in reference to the Committee's 2012 October Monthly FEC report. Your request claims that when Common Values PAC made two contributions to federal campaign committees for debt retirement, the recipient committees did not have sufficient debts to warrant the contribution.

Please note that prior to making each contribution the Common Values PAC confirmed with the recipient committees that the campaigns had sufficient debts to merit the contributions for debt retirement. Additionally, after receiving your correspondence, the PAC has received written reassurances from both campaigns that each had sufficient debts to warrant the debt retirement contributions at the time the contributions were made.

The Committee trusts that this response sufficiently responds to your request. If you have any additional questions, please don't hesitate to contact the recipient committees or their respective FEC reports analyst(s).

Sincerely,
Timothy A. Koch
Treasurer
